MEMORANDUM FOR: The Joint Chiefs of Staff

SUBJECT: Central Intelligence Agency Quota for  
the National War College.

1. It is of the utmost importance in the discharge of our national intelligence mission that as many Central Intelligence Agency career officers as possible benefit from attendance at the National War College. It is therefore requested that the present Central Intelligence Agency quota of one student be increased to three for the class convening in August 1951, and for subsequent classes.

2. We are, of course, prepared to fill a quota of three with career personnel of appropriate qualifications.
